Code of Conduct for Campers at Boomerang Day Camp

Our goal is to ensure that all campers enjoy the best possible camp experience.

As a camper at Boomerang Day Camp, I agree that I will:
Always try to do my best and be a good sport at all times
Be kind and respectful to all campers and staff at camp
Be responsible for my own actions and have fun in ways that are safe to others and myself
Not use profanity, make profane gestures or say unkind words
Not tease, taunt, gossip, engage in exclusionary behaviour, bully or intimidate others in any way
Keep my hands to myself: I will not push, hit, or inappropriately touch another person
Follow the camp rules for each activity
Stay with my group and in designated areas at all times
Tell camp staff when I need help
Respect other people's property and the camp's property including buildings, equipment, and outside areas
Not bring to camp any electronic devices or any object that would be harmful to others
